District 1 R/C Model Boat Racing

ALL DISTRICT 1 Classes to be offered.

Per District 1 rulebook @ www.namba-1.com

Requirements / Notes:

- Entry Fee: **\$8.00 per boat - all classes** – no Unlimited Concours will be offered
- Min. 3 paid registered entries per class for class to run and count for D1 points
- All Racers **MUST** have a Valid - Current Year NAMBA Card in order to race.
- All District 1 and NAMBA rules shall be followed and will be enforced.
- All prop shields shall be properly constructed to stop any propeller.
- District 1 std. course with Pit men keeping track of the driver's time.
- This is an Open Mill Course. Every boat must go around the left side buoys after launch, but has the option of driving using the $\frac{3}{4}$ mill pattern or the full mill pattern. All re-launches shall mill around the full course.
- Proper foot attire shall be worn by the pit man and driver.
- All drivers must race in their lanes and shall not use the course infield to pass – penalties will be assessed. Displacing a buoy will warrant a driver infraction.
- For classes with less than 3 entries, the drivers will be contacted on the Saturday before the race.
- The Scale Love Plan will not be followed
